

Doc Aga PH — YouTube Channel Content Plan

"Gabay mo sa digital na pag-aalaga ng livestock"

Prepared: March 2026 | App: Doc Aga (Offline-First Livestock Farm Management PWA) | Target Audience: Filipino Farmers

Overview: 25 short-form videos (30s–60s each) covering the complete onboarding journey — from sign-up to daily farm management. All scripts in Taglish (Tagalog + English). Designed for YouTube Shorts with cross-posting to Facebook Reels, TikTok, and Instagram Reels.

Series 1: "Simula Dito" (Start Here) — Onboarding

#	Video Title	Duration	Script Outline (Taglish)
1	Paano Mag-Sign Up sa Doc Aga	30s	"Mag-sign up ka lang gamit email o Google account mo. Lagay mo full name, email, at password — tapos go na!"
2	Paano Mag-Set Up ng Farm	45s	"First time mo? I-set up muna yung farm mo — lagay mo farm name, piliin yung region at province mo, at anong klase ng livestock ang inaalagaan mo. Pwede ring i-on yung GPS para ma-save yung location ng farm."
3	Offline Mode — Paano Gamitin Kahit Walang Internet	30s	"Kahit walang signal, kaya pa rin! Pag first time mong mag-online, i-do-download ng Doc Aga yung data mo. Pagka-offline ka na, tuloy-tuloy pa rin ang pag-record."

Series 2: "Mga Hayop Mo" (Your Animals) — Animal Management

#	Video Title	Duration	Script Outline (Taglish)
4	Paano Mag-Add ng Animal (Quick Add)	45s	"I-tap yung '+' button, piliin livestock type, lagay ang pangalan at ear tag, piliin kung male o female, at i-save. Quick lang — under 1 minute!"
5	Paano Mag-Add ng Animal (Full Form)	60s	"Para sa complete details — lagay mo birth date, breed, acquisition type, purchase price, at kung sino ang nanay at tatay. Lalo na kung gusto mong i-track ang lineage."
6		45s	

	Paano Mag-Add ng Animal Gamit ang Voice		"Ayaw mo mag-type? I-tap lang yung mic icon at sabihin ang details ng animal mo — si Doc Aga ang bahala mag-fill up ng form para sa'yo."
7	Paano I-edit ang Animal Details	30s	"Punta ka sa animal profile, tap 'Edit', i-update yung info, tapos save. Simple lang!"
8	Paano Mag-Record ng Animal Exit	30s	"Na-sell o na-lose ang hayop? I-record mo ang exit — piliin yung reason, lagay ang date, at automatic na mare-remove sa active herd mo."

Series 3: "Daily Ops" — Daily Operations

#	Video Title	Duration	Script Outline (Taglish)
9	Paano Mag-Record ng Milking	45s	"I-tap ang 'Record Milk' sa FAB button. Piliin kung alin ang barn o individual animal, lagay ang liters, at i-save. Makikita mo agad sa dashboard ang total milk mo for today."
10	Paano Mag-Record ng Feeding	45s	"I-tap ang 'Record Feed', piliin ang feed type mula sa inventory mo, lagay ang total kg, at automatic na hahati-hatiin ni Doc Aga ang cost per animal based sa weight nila."
11	Paano Mag-Add ng Feed Stock (Drums/ Bags)	60s	"Bumili ka ng feeds? Punta sa Feed Stock tab, tap 'Add Stock'. Piliin kung ilang drums, bags, o kilo, lagay ang weight per unit at cost — automatic na mare-record ang expense mo."
12	Paano Mag-Record ng Weight	30s	"Sa animal details, punta sa Weight tab, tap 'Record', lagay ang bagong timbang — at automatic na mag-u-update ang current weight sa profile."
13	Paano Mag-Record ng Body Condition Score	30s	"I-tap ang 'Record BCS' sa FAB, piliin ang animal, at i-score from 1-5. Makakatulong ito para ma-track ang health at nutrition ng mga hayop mo."

Series 4: "Pera Matters" — Finance

#	Video Title	Duration	Script Outline (Taglish)
14	Paano Mag-Record ng Milk Sale	45s	"Punta sa Milk Inventory, tap 'Record Sale', piliin kung ilang liters at magkano per liter. Automatic na papasok sa revenue mo — FIFO pa, oldest milk ang unang mabebenta."
15	Paano Mag-Add ng Expense	30s	"Sa Finance tab, tap 'Add Expense', piliin ang category — feed, vet, labor — lagay ang amount at date. Organized na ang gastos mo!"
16	Paano Mag-Add ng Revenue	30s	"May kita galing sa ibang source? Tap 'Add Revenue' — pwede mo i-record ang animal sales, grants, at iba pa."
17	Paano Basahin ang Finance Dashboard	60s	"Sa Finance tab, makikita mo ang cash flow summary, revenue vs expense, herd value, at profitability. Dito mo malalaman kung kumikita o lugi ang farm mo."

Series 5: "Breeding Corner" — Reproduction Management

#	Video Title	Duration	Script Outline (Taglish)
18	Paano Mag-Schedule ng AI (Artificial Insemination)	45s	"Sa Breeding Hub, tap 'Schedule AI', piliin ang animal, lagay ang date at bull breed. Ready ka na sa insemination day!"
19	Paano Mag-Record ng Heat Detection	30s	"Nakita mo signs of heat? I-record agad — piliin ang animal, lagay ang date. Para hindi mo makalimutan at ma-time nang tama ang breeding."
20	Paano Mag-Record ng Calving	45s	"Nanganak na! I-record ang calving — lagay ang calf details like name, gender, at birth weight. Automatic na maco-create ang bagong animal record."

Series 6: "Health Watch" — Animal Health

#	Video Title	Duration	Script Outline (Taglish)
21	Paano Mag-Record ng Health Event	45s	"May sakit o na-treat? Tap 'Record Health' sa FAB, piliin ang animal, lagay ang treatment o diagnosis, at save. Complete health history na!"
22	Paano Gamitin si Doc Aga para sa Health Advice	60s	"I-tap ang 'Ask Doc Aga' — pwede kang mag-text, mag-voice, o mag-send ng photo. Mag-bibigay si Doc Aga ng advice base sa data ng farm mo. Kahit offline, may FAQ answers pa rin!"

Series 7: "Pro Tips" — Advanced Features

#	Video Title	Duration	Script Outline (Taglish)
23	Paano Mag-Manage ng Farm Team	45s	"May farmhand ka? I-invite sila sa app — pwede silang mag-record ng milk at feed, at ikaw ang mag-a-approve ng activities nila."
24	Paano Mag-Approve ng Farmhand Activities	30s	"Sa Approvals tab, makikita mo lahat ng pending activities. I-review, approve o reject — organized ang workflow ng farm mo."
25	Paano Mag-Upload ng Animal Photos	30s	"Sa animal details, punta sa Photos tab. Mag-upload ng photo — may timeline ka na ng growth ng hayop mo!"

Production Notes
